Our Offering as a Recruiter

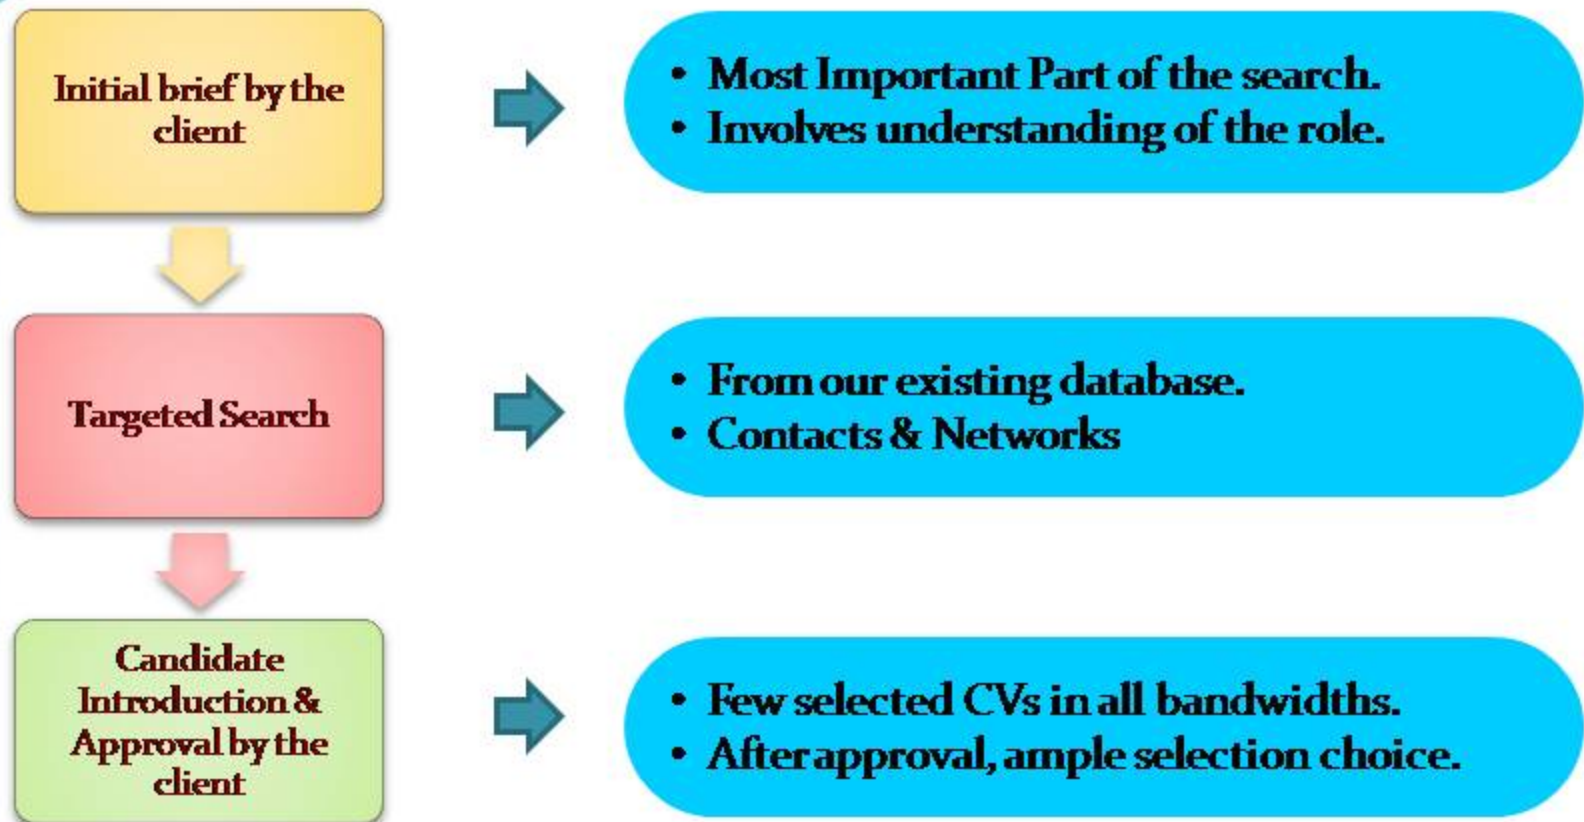

Our Recruiters

Why SR Solutions??

- **It is important to go beyond just designations, job descriptions or job specifications.**
- **For a good search, it is imperative to catch**
 - 1. the pulse of an organization,**
 - 2. its culture,**
 - 3. work environment,**
 - 4. policies and HR practices, which is normally not laid out in black-and-white.**
- **Our practical experience helps us in going beyond theoretical jargons, to provide our clients with timely, practical solutions.**

Our Search Process

Our USP

We believe that a Solution has a value as long as it can have a TAT as per the specification of the client.

It has been a key to long term relationship with our clients.

We focus on Clients Specifics on expediency and that is our value.

Our double check on the quality of the candidates has also been appreciated by all our esteemed partners.

Our successful credentials

We are Recruitment Partners to almost all the top organizations and have dealt with a plethora of positions for e.g.

Successfully placed Regional Heads –Sales for our client in three of the four Indian regions. The TAT here was 15 days.

A critical CFO position was filled up by SR Solutions for a manufacturing organization in UAE in three days.

We helped in the start up operations of an organization by hiring 50 employees in 2 months time.

Have undertaken critical technical positions of our clients and have been successful in hiring for them through our large contact network. This included mechanical maintenance for super specialized plants and marketing for very specialized technical products to government bodies.
